with these beautiful booklets!**

An important part of the mission of Polish Women's Alliance of America is to preserve our Polish language, culture, and heritage — and we have been doing that for over 116 years. In recent years we have published seven booklets in the *PWA Polish Heritage Series* that we are happy and proud to offer for sale to you now. The booklets will be a welcome addition to your family library and will also make great gifts for any occasion. You can purchase the set of seven booklets for \$20, including postage. As more booklets are published, you will be able to order them individually for \$3/each plus postage.

### Set of seven booklets includes:
